Hi Laurie,

I hope you are well and having a great day. As you probably already know, I'm writing to tell you that the LAX Northside Plan Update has finally been scheduled for consideration by BOAC this coming Thursday, March 12th, at 1:00 pm. We have had several delays, so I wanted to wait until we were sure the agenda was finalized before I let you know.

This has been a long and complicated process, and you have been instrumental in helping to create a sensible, responsive, and workable plan, which is now moving forward toward approval.

I hope you will be able to attend the BOAC meeting to support the plan, and to share our success in creating a project that works for LAWA, works for the community, and works for the future.

As always, I appreciate your interest, your time, and your energy, and I look forward to seeing you on the 12th.

Lisa
